The Pirate Cruncher Jonny Duddle
A hilarious picture book debut has a scurvy crew setting off for an island of gold, where an unexpected development awaits under the final flap.

I was sailing along and what did I see?
An island of GOLD in the scurvy sea!
But there's one small thing I forgot to share —
there's also a MONSTER waiting there.

A mysterious old pirate tells a tavern of salty seadogs about an island bursting with hidden treasure. But once they set sail, he also mentions that it is guarded by the terrible Pirate Cruncher. When the pirates' greed gets the better of their fear, there's a big surprise in store!
