Is your kid struggling to figure out a career direction? Or maybe they have an idea about what they want to do but have no clue how to make it happen? Join the club, people, because you're not alone.

I've not only been there myself but I've career counseled 100s of kids just like yours, and there's hope. Lots of hope that starts right here. This short booklet is a preview of what you'll find in the full blown career planning book, “IDEA to CAREER: 5 Steps to a Career You’ll Love”, that I've written and designed specifically for teens and young adults who are trying to figure out their future and build a successful career, whatever their version of success might be. This Parent’s Guide is a condensed version of the 5 Steps and can definitely give you a head start on getting your kid to move forward, but if you need more help than what's offered here, “IDEA to CAREER” has tons of resources, web links and worksheets that follow the methodology I use when I work 1-on-1 with kids. You can preview and purchase the book at www.gumroad.com/bhlue. It would also be a great idea to check out the free DIY Career Planning website I developed for teens and young adults. Lots of good stuff there so look around. www.Bhlue.com You won’t be sorry!
