STONY MAN

America's elite black ops team Stony Man Farm is dedicated to protecting the innocent. Acting on orders of the President, these soldiers and cyber techs are the nation's best defense against violence and terror across the globe.

COASTAL CRISIS

Adding insult to injury, terrorists are discovered laundering money through Liberty City, an economic free zone in Grenada, sending Able Team undercover to follow the money trail. It doesn't take long to discover the free city has provided a haven for building homemade ballistic missiles. Phoenix Force arrives just in time to provide backup, but the missiles have already been shipped to a rogue group with their sights disturbingly set on the California coast. Both teams must join forces to avert disaster, because failure could mean the death of the President and thousands of Americans.
