We all want to win at something, whether it's a job promotion, becoming the best in our field, beating the clock in a race or winning an election. Learning from the examples of those who have already achieved outstanding success can give us insight on how to go about winning big in our own life.

Winners: and How They Succeed by Alastair Campbell delves into the successes of politicians, business moguls and athletes to show what it takes to achieve success. Most businesses look to other businesses; politicians look to those who came before them. This is helpful, but in order to break the mould and achieve incredible success, looking to the work ethic, mindset and strategies of winners in various sports arenas can actually prove to be an even more powerful tool to achieving success.

You will learn:

· Why every team member is vital to success

· Why mindset can trump talent

· The importance of clear objectives and strategies to success.
