Desired by the Alien Prince

The man looks just like her boss, but he insists that his name is Odin and that he needs her back in his world. He needs to mate with her because he needs an Earth woman to replenish his planet. Much to her dismay, her curiosity trumps her rationale.

Odin grasps her shoulders and gently pulls her against him. His lips inch close to hers, giving her time to stop him, but she has no in-tention of doing so. They are in his world now, and she wants to taste all of him.

Their lips finally meet, and Melanie melts against him, unable to do anything but submit.

As they leave Earth behind, Melanie realizes that her life will never be the same. If she is in a coma, she wants to live out this dream, yet she looks forward to what awaits her on Cardonia.

Q and A With The Author

Q - So, what makes the "Desired By The Alien" series special?

A - These are short and sweet stories that you can read right before you go to bed, or maybe while you sip your morning coffee. Even though they are brief I guarantee that you will fall in love with the characters. Most of the other stuff in the Alien category was poorly written and lacked care. I take pride in my work and it will show in this series.

Q - What order should I read the books in?

- Desired By The Alien Prince
- Desired By The Alien Rogue

- Desired By The Alien Soldier
- Desired By The Alien Hero

Q - So, why should readers give these books a try?

A - This is my passion and i've poured my heart and soul into these books, they are fun, they are entertaining, and they will whisk you away before you know it. Not to mention I have made this one free, and if you join my mailing list I will give you "Desired By The Alien Rogue" for free as well.
