Bundle: Introduction to Psychology, 9th + CengageNOW, eBook, Psychology Resource Center Printed Access Card James W. Kalat
James Kalat's best-selling INTRODUCTION TO PSYCHOLOGY does far more than cover major theories and studies; it encourages you to question the information and ask yourself, "How was this conclusion reached?" and "Does the evidence really support it?" In this student-praised text, Kalat challenges your preconceptions about psychology to help you become a more informed consumer of information not only during your college experience but also as you venture into your post-college life. With his humorous writing style and hands-on "Try It Yourself" exercises, Kalat puts you at ease and gets you involved with what you are studying so that you can succeed in your course.
