Confident Powerboating: Mastering Skills and Avoiding Troubles Afloat Stu Reininger

A practical how-to guide to handling and avoiding powerboat problems and emergencies

With no secondary method of propulsion, poorer stability profiles, and enough speed to get themselves into trouble fast, powerboats are far more susceptible to emergencies than sailboats. *Confident Powerboating* addresses your safety concerns, providing a detailed guide to avoiding problems, coping with difficult situations, and responding to emergencies effectively. Also, each section contains several anecdotes of problems encountered and resolved (or not).
