Corporate Environmental Management 3: Towards Sustainable Development (Environmental Management Set)

Corporate Environmental Management 3: Towards Sustainable Development (Environmental Management Set)

This third book in the *Corporate Environmental Management* series examines the sorts of strategies that companies can put into place to make their performance more consistent with the concept and practice of sustainable development whilst taking into account the impacts of free trade and globalization. This book: tackles the nature of the international economic order and the efficacy of free trade; outlines strategies for managers, researchers and academics to develop operations consistent with sustainable development; and, finally, offers substantial references to leading articles in the field.
