Discovery: The Brotherhood - Book Three James Benedict Noble
There's really a lot to be said for the brotherhood concept. Other men who will have your back for a lifetime. Something to be earned indeed.
Brotherhood's masks are beginning to come off - still a long way to go. Masks don't come off easily. It's so much easier to spew out the usual BS than become vulnerable to one another.

Jacob is in real trouble and has to find his way out of it. Follow him on his incerdible journey through a secret college organization.

Standing before my two pledge brothers, Q ran his hand thru his hair, revealing his pale face and shimmering orbs of pure silver. “Well that was your mistake. If you truly want to be part of the Brotherhood you have to learn to stand by your brothers no matter what. This morning you had the chance to show your commitment to your pledge brothers by sharing in their disgrace, instead you decided to take the high road while your pledge brothers crashed and burned. That kind of attitude has no place in the Brotherhood.”

A long, uncomfortable silence filled the room. One could actually hear the drops of water hitting the floor.

“Do you have anything to say for yourselves?” Q questioned, his lips scarcely moving, his eyes set on the two pledges.
