Forgiving The Unforgivable: Removing the Obstacles to Love Niramisa Weiss
It is one thing struggling to forgive our nearest and dearest those foolish squabbles that leave us bitter and upset. But what about the big stuff; that which we cannot comprehend?

While we fail to understand why humans behave so atrociously, we must cherish the belief in 'evil' and harbour condemnation in our hearts for our fellows. And while there is any justification for condemnation, we will not know peace.

What if we were sure that every regrettable act any human being has ever committed was utterly unavoidable? What if we knew we would all do exactly the same given the same set of circumstances? What if we could finally see that the cause of all our woes is a simple error in thinking that everyone shares in equal measure?

The liar in the human mind is our one and only problem. When it is clear that 'evil' cannot be real and that every 'unforgivable' act is caused by a mistaken belief in falsity, our eternal innocence will be impossible to deny.

If God were real, we ask, how could He let these terrible things happen to the innocent? Let's find out why God has nothing to do with any of it, regardless of whether He exists or not.

Together, we will discard everything obstructing our awareness of love. Together, we will forgive the unforgivable.

Are you ready for the next perfect step?
