Heading South, Looking North: A Bilingual Journey

Ariel Dorfman

Heading South, Looking North: A Bilingual Journey Ariel Dorfman
In this remarkable memoir, Dorfman describes an extraordinary life, torn between the United States, South America, and his Jewish heritage, between English and Spanish, between revolution and repression. Interwoven with the story of how Dorfman switched languages and countries--not once, but three times--is a day-to-day account of his multiple escapes from death during Pinochet's military takeover of Chile in 1973. Combining eight vignettes of his life before 1973 with eight scenes from the coup, Dorfman filters these events through an engaging, hybrid consciousness.A beautifully written and deeply moving auto-biography by one of the "greatest living Latin American writers" (**Newsweek**), **Heading South, Looking North** is at once a vivid account of a life as complex and mysterious as the fictional characters Dorfman has created, and an enthralling search for a permanent home, a political cause, and a cultural identity.

From reader reviews:

Colleen Holden:

Reading a guide tends to be new life style on this era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some analysis before they write to their book. One of them is this Heading South, Looking North: A Bilingual Journey.

Randall Blake:

People live in this new morning of lifestyle always aim to and must have the extra time or they will get large amount of stress from both lifestyle and work. So , whenever we ask do people have time, we will say absolutely sure. People is human not only a robot. Then we request again, what kind of activity are there when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading guides. It can be your alternative within spending your spare time, the book you have read is Heading South, Looking North: A Bilingual Journey.

Aaron Marks:

Is it a person who having spare time after that spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Heading South, Looking North: A Bilingual Journey can be the answer, oh how comes? A book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Donna Moore:

A lot of book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the very best book for you, science, amusing, novel, or whatever simply by searching from it. It is referred to as of book Heading South, Looking North: A Bilingual Journey. You can contribute your knowledge by it. Without making the printed book, it can add your knowledge and make you actually happier to read. It is most important that, you must aware about e-book. It can bring you from one place to other place.
