Rocks of Ages: Science and Religion in the Fullness of Life Stephen Jay Gould
Since the Renaissance people have been plagued by the tense battle between Science and Religion. Internationally renowned best selling author and evolutionist Stephen Jay Gould sheds new light on the dilemma in this provocative, fascinating, and relevant audio. In elaborating and exploring the issue, Gould argues that in order to experience the fullness of being human, we must cultivate a meaningful balance between a life of spirit and a life of rational inquiry; 2 realms, equally essential but utterly different.
