The Best One-Dish Suppers (The Best Recipes)

The Best One-Dish Suppers (The Best Recipes)
A one-of-a-kind collection of one-dish suppers.

Do you wish you could make dinners like a hearty, authentic Bolognese sauce and linguine or chicken pot pie with a fluffy biscuit topping, without hauling out an arsenal of pots and pans and spending hours in the kitchen? Let The Best One-Dish Suppers show you how.

We already know how to make a perfect chicken pot pie, but could we make it in a single pot--biscuits included--and without taking all afternoon? Stir-fries are a great weeknight meal, and while we utilize the test kitchen's perfected skillet method, we also wanted a method that didn't require constant monitoring. So we put a sheet pan and the oven to work to come up with a nearly hands-off version. With an appealing mix of family favorites and meals elegant enough for entertaining, The Best One-Dish Suppers will help you get dinner on the table without breaking a sweat.
