WWYD "WHAT WOULD YOU DO" . . . "The Great Christian Asleepening" will confirm the truth that is already inside each of us. It reveals history, insights, and strategies that will empower Christians to take back the gift of freedom that our Lord died to give us. Throughout the centuries, the Good News has become cluttered with laws and traditions that have enslaved the Church and bound it to a controlled system of religious tyranny. In a desperate attempt to maintain this control, much of the truth that Jesus proclaimed has been veiled by those who seek to prosper themselves. "The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so: and what will ye do in the end thereof?" Jeremiah 5:31. "For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock. Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them." Acts 20:29-30. If you want to be set free from deeply embedded fears that permeate the Christian community, this book offers the perfect antidote. McClain skillfully uses the bible to take on a multitude of unscriptural doctrines and beliefs that are deliberately used to scare Christians into submission. This book offers sound reasoning for Christianity's current state. Most importantly, it provides tools and steps that you can easily implement as you begin to develop an understanding of the bible and a solid relationship with its Author.
