Canadian Intelligence Service Agent Justin Hall--combat-hardened in operations throughout Northern Africa--has been demoted after a botched mission in Libya.

When two foreign icebreakers appear in Canadian Arctic waters, Justin volunteers for the reconnaissance mission, eager to return to the field. His team discovers a foreign weapons cache deep in the Arctic, but they are not aware that a spy has infiltrated the Department of National Defense.

The team begins to unravel a treasonous plan against Canada, but they fall under attack from one of their own. Disarmed and stripped of their survival gear, they are stranded in a remote location. Now the team must race against time not only to save themselves, but their country.

ARCTIC WARGAME is an action-packed spy thriller in the bestselling tradition of Portrait of a Spy, Rules of Betrayal and The Bourne Identity. Readers will enjoy a great tale of courage, fear and betrayal.
