Country Boy (Gay MM Erotic Romance) Austin Dixon

“Tell me you want this.”

Sawyer can’t hide his attraction to a forbidden older man. Ward knows that he should walk away, but when he catches Sawyer watching him in a private moment, he decides to stop hiding his desires and give in to what they’re both hungering for.

WARNING: This 6,800 word story contains two sexy men discovering their forbidden attraction to each other. Intended for MATURE AUDIENCES 18+ only!

EXCERPT: . . I wasn’t a better man. I was just lying to myself, after all.

I knew that I was attracted to men since I was a teenager, but around these parts no one who wants to survive waves a pride flag.

But Sawyer? He felt everything. While others would be all rough edges, their hearts calloused by years of ill treatment, Sawyer wore every emotion on his face and those huge blue eyes.

I tried to keep those baby blues always in focus because I didn’t want to be one more person in his life who let him down. But even I couldn’t help stealing glances.

His clothes hugged his body in a way that would have any man who wasn’t 100% straight aching. Tight t-shirts that were always just a bit too worn out to be decent clung to every hard muscle and I couldn’t stop staring and wanting.

I felt like a dirty old man, but what was the harm? I might not have been the best guy out there, but there was no way I was going to lay a hand on him. Sawyer deserved better than the hand life had dealt him, and he definitely deserved better than a guy like me.

I had myself convinced that was the truth for months until the day I caught him watching. . .

****All characters are over 18 and fictional.****
