Financial Intimacy: How to Create a Healthy Relationship with Your Money and Your Mate

Jacquette M. Timmons

Financial Intimacy: How to Create a Healthy Relationship with Your Money and Your Mate Jacquette M. Timmons
There is a commonly held perception that we don’t talk about money. Actually, we talk about it all the time—we are just having the wrong conversation. The result: finances fracture and even destroy many relationships.

In this timely book, money expert Jacquette M. Timmons addresses the financial issues that couples face, examining how family background, personal choices, and socioeconomic and cultural influences affect the way women merge love and money. Encouraging women first to explore their own relationship with money, she provides a framework for an honest exchange of information so partners can understand each other’s personal financial stories, the many emotions money elicits in them, and their financial preferences, prejudices, and tolerance levels.

In these uncertain economic times, more and more couples are learning the hard way that a lack of financial intimacy can sabotage even the best relationships. Timmons gives women the tools they need to take the lead in the financial dialogue so they can live wealthy and well with their partner—in good times and bad.
