The Hunted: Book Two of the Crystal Coast Series Chrissy Lessey

The Hunted, Book Two in the best selling Crystal Coast Series, continues with Stevie Lewis believing she has vanquished the greatest threat to her son, and beginning to embrace her newly revealed magical legacy. Someday, she will inherit her mother's role as queen and protector of the amulet. For now, there is much to learn, so she plans to continue her training with the coven. With Dylan by her side, Stevie settles into a transformed, yet peaceful, life in her beloved hometown of Beaufort, North Carolina.

Left to live out her days in a dreary psychiatric hospital, Susan Moore has no hope of retrieving the amulet that would restore her magical gifts. But when she meets Chaplain Benjamin Parris, descendant of the notorious reverend behind the Salem Witch Trials, she plots a deadly conspiracy. The coven members endure their worst fears as Susan and the chaplain work against them. Left weakened after the theft of their protective amulet, they confront the unthinkable as a modern day witch-hunt begins to unfold in their small town. In the end, Stevie and the coven are forever changed.

The Crystal Coast Series is targeted at readers who enjoy a fast moving story of modern witches intertwined with the coven's historical beginnings in the 1700s when Blackbeard's Queen Anne's Revenge docks at an island off the coast of North Carolina. The Secret Keepers is the short story prequel to the series in which we discover the horrific role the pirate Blackbeard played in his attempts to destroy the coven. The first book in the series is The Coven which takes place in present day Beaufort, and is where we first meet Stevie, her autistic son Charlie, and the Beaufort Historical Society, the front for the coven. The Hunted is the second book and is focused on modern day witch hunters who conspire with evil witches to bring the coven down.
