Even Witches Get the Blues (Wicked in Moonhaven~A Paranormal Cozy Book 1) J.D. Winters
Everyone remembers Haley Greco, except for Haley herself.
Haley is a witch with amnesia and she might be the most normal thing in the spooky town of Moonhaven. She wakes up in a strange motel room, no idea who she is, with just the clothes on her back and, weirdly, the deed to a property in Moonhaven where everybody seems to know her. Back for less than a day she discovers, in no short order, that she has an entire missing family, a town history as a wild child, and a grandmother who seems to want her to prepare to save civilization. Not only that, she's the lead suspect in a murder and Deputy Sheriff Shane McAllister knows more about her than he should. The real murderer is on the move. Can Haley clear her name and regain her memory before it's too late?
