Flight Instructor Practical Test Standards for Airplane Multi-Engine Land and Sea: FAA-S-8081-6D (Practical Test Standards series) Federal Aviation Administration (FAA)/Aviation Supplies & Academics (ASA)
The Practical Test Standards (PTS) are used by flight instructors, students, and FAA examiners to prepare for, review, take, or issue the checkride. They list the knowledge and experience prerequisites, the levels of skill that must be demonstrated, and describe background study and reference materials.

ASA reprints the most current FAA Practical Test Standards in this series of handy cockpit-sized guides. Every PTS is written by the FAA and details the type and levels of skill and knowledge that must be demonstrated before an examiner can issue a FAA certificate or rating to an applicant.
