Revive Your Ride: Secrets from a Body And Paint Restoration Pro Larry Lyles
Revive Your Ride differs from most of the other auto restoration books on the market in two important ways: (1) it covers general body and paint repair techniques but skips the mechanics (about 70% of restoration is body and paint and only 30% mechanical); and (2) it describes general techniques that can be applied to any vehicle, whereas most books cover only a specific make and model.
