When you're feeling down in the dumps, you just want to be left alone. But when you have a persistent little sister who is determined to get you up, hopping, and out of those low-down laundry line blues, there's no telling what can happen. Poet C. M. Millen's unusual picture book about moods and emotions is perfectly illustrated by Christine Davenier, who captures every nuance of the ups and downs of childhood in this dynamic and jazzy book.
