Who Says You Can't Go Home?: A Practical Guide For Living From The Heart Anne DiDomenico
This book is about finding your way home.....the only home you really know and want. The 'lessons' are snapshot moments of realization... examples of conscious awareness in action. The author writes of ordinary life experiences that offer opportunities for seeing situations differently by practicing a new mode of thinking. This demonstrates how one can shift perspective in an instant simply by intending to do so. Shifting perspective can change your life. In this place of shifting perspective, your world gets turned upside-down and inside-out as you begin to see things differently....opposite to what you would expect. The old and familiar reflects a whole new and opposite picture. Meanings..... values..... deep-seated beliefs..... all change as your thinking changes. This book reminds you that YOU are the one who determines that YOU CAN GO HOME.
