Fake It (The Keswick Chronicles) (Volume 1) Victoria Kinnaird
Jack Daveyson grew up with a guitar in his hands and his head full of melodies. Ten years after writing his first riff, he knows exactly what he wants to do with his life - graduate high school, escape Wayville and hit the road with his band, Forever Fading Echoes. But it's a bit hard to launch a band without a singer. Enter JJ Keswick. JJ is everything Jack isn't: rich, confident and popular. He also happens to be one of the best singers Jack has ever heard. Jack reluctantly lets JJ into his band and into his life. The spark between them in the practice studio grows into something neither of them were expecting - a love that threatens to tear their lives apart. International bestselling author Victoria Kinnaird is proud to introduce you to The Keswick Chronicles, a YA rock'n'roll romance. Pack your guitar, pull on your band tee shirt and turn up the volume - it's time to meet your new favourite band.
