Getting into college is a national obsession among high school students and their parents, and it’s only getting worse. Each year, there are more applications and tougher admissions standards at competitive schools. In a tight job market, the stakes are higher than ever. Businesses, books, and programs exist to help students win acceptance to top schools, but why not go to the real source — recent high school graduates who survived the college admissions process. In *How to Survive Getting Into College*, hundreds of students share their hard-won wisdom, thoughts, strategies, struggles, and even failures. Filled with tips, tricks, humor, and horror stories, as well as practical advice on applications, interviews, and financial aid, the book is a lifeline for high school juniors and seniors.
