Marx Corinne Maier

Karl Marx dreamt of a world free from exploitation, inequality, and unemployment. Growing up in a rapacious capitalist society, Marx sought to address the evils of the world through new ways of thinking. His solution? Revolution!

Marx is the second in Corinne Maier and Anne Simon's collection of graphic novels exploring lives of the twenty-first century's most controversial and outspoken figures. Their first collaboration, *Freud*, is one of Nobrow's most popular titles.
