Robin De Puy - If This Is True, I'll Never Have To Leave Home Again Robin De Puy
Robin de Puy is regarded as one of the most talented young Dutch photographers in the field of journalistic portraits. Commissions began to pour in after her winning the National Portrait Prize in 2014, yet she became uncertain. So she made a radical decision: to undertake a 10,000 km journey through the United States, by herself, on a Harley Davidson. The journeys purpose was to touch base, to return to what photography really means for her. The results appear in her first book, published along with an exhibition in the Photo Museum in The Hague.
