Black: Part 1…

Calvin Black is the ruler of his own kingdom. He owns the hottest new club in New York City and he always gets what he wants. And who he wants. Women throw themselves at him, and he does with them what he pleases. He's never been denied anything, except by one person…

Sofie Bennett has been at her corporate job for nearly a year, but she still feels out of place. Her roommate and work-wife, Aimee, insists that she needs to cut loose and have more fun, but Sofie is doubtful. But when she discovers she'll be attending an all day seminar with the hot new VP, Wade Foster, she begins to wonder if Aimee might have the right idea…

Worlds collide when an unexpected night leads to a chance encounter. An encounter that's destined to change Calvin and Sofie forever.

Black: Part 2…

After that one day so many years ago, Calvin Black didn't think he'd ever see Sofie Bennett again. He's lived his life ever since doing anything he can to get her out of his system. But now that she's in New York City, and back in his life, he'll stop at nothing to make sure she knows the truth of what really happened when she ran out on him.

Sofie Bennett's world is sent into a free fall when Calvin Black comes crashing back into her life. She doesn't want anything to do with him, but she can't seem to stay away. She tells herself that she needs closure, and then she'll be able to move on. But what she really wants is that magical energy she feels when he's around.

But when Sofie shows up unexpectedly one night, she sends both of their worlds on a collision course that neither one of them are sure they'll survive…

Black: Part 3…

Years ago Sofie Bennett was in love with Calvin Black—until she caught him cheating on her. She ran as fast and far from him as possible, trying desperately to put him out of her mind. Until the one fateful night when he came back into her life… Her world gets upended once again when she finds out that what she thought she knew about Calvin wasn't true, after all. And now she's left wondering what she can believe.

Calvin Black lived for years, tormented by the loss of the only woman he's ever loved. Now that she's back in his life he'll do absolutely anything to fix the damage that was done. But when Sofie asks him to give up the very thing that's protected him all this time, he's not sure if he can handle it.

But just when Calvin thinks he's survived Sofie's final test, he discovers that he isn't the only one that's good at keeping secrets…

Black: Part 4…

Calvin Black has built a life around him to help block the pain of driving the love of his life away. He's surrounded him with things that will help him forget all about Sofie Bennett. But now that she's back in his life, he discovers that those things that once protected him are the exact things that will stop him from finding happiness.

Sofie Bennett's life is finally starting to work out for her. She spent years running from her fears when she caught Calving cheating on her. But now that he's passed her test, she's finally able to give herself over to him.

But just when it looks like she's found her happily ever after, she discovers that Calvin has one final secret, and it's big enough to destroy everything they've been working to rebuild…
