**Journey Deeper: Spiritual Depth Takes Us to a Place We're Not Expecting** Dr. Scott Reynolds
As a scuba diver and pastor, author Scott Reynolds had heard the same phrase on dives and in church: “I want to go deeper.” Divers always want to push the limits to go a litter deeper, wanting to explore different reefs and wrecks found in the deeper waters. Followers of Christ use the same language and find themselves constantly saying, “I want to go deeper.”
In Journey Deeper, Reynolds offers a scriptural answer to the burning question for many seeking more from their relationship with Jesus Christ: how can I go deeper in my faith? It's a great question, with a very different answer than the one Christians have held on to for generations. Spiritual depth is not found in the academic information we use to understand theological and religious concepts. Spiritual depth is found in character transformation. Every follower of Christ is called daily to be moving into the image of Christ. The Journey Deeper will help you truly understand what spiritual depth looks like.
