Susan Tarin:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
