Spanish Civil War (SImple HIstory) J. Gerlach
The Spanish Civil War is part of J. Gerlach's *Simple History* series, and the second title published by Microcosm (hot on the heels of *Nez Perce Indians*)! It's 1936 and the world watches religious powers and fascists erupt into conflict with the proletariat left and anarchists in Spain. This zine presents a well-rounded and succinct account of the turbulence in late 30's Spain. Complete with illustrations and a logical account of the complications throughout the civil war, this is an excellent zine for understanding history often poorly presented in high school.
