The Inner Workings of The Third Eye

Discover how the third eye works and the different psychic effects and potentials which may be acquired upon activation of the third eye. This will give you the opportunity to decide on whether to pursue the awakening process as this is an irreversible one. The book also explains the origin or the discovery of the third eye’s potential including its relevance to the different chakras or points of consciousness. It also emphasizes the role of the brain since third eye awakening mostly involves the manipulation of thoughts and staying focused on the now.

Get Away From The Chaos of The Past And The Future

This book also contains tips on how to properly start with the meditation exercises by starting with small and easy steps to more advanced ones. It provides clear instructions of popular third eye awakening exercises. In the later chapter, it will also include other meditation techniques such as the third eye meditation and clairvoyance meditation. Get away from the chaos of the past, present, and the future.This book is for people who want greater awareness and those who want to live in the moment.
