If It is God's Will Dick Metheney
Will and Helga Huffman decide to follow a lifelong dream of living as their ancestors did a hundred years ago. In following this fantasy, they buy an old farmhouse from that era in Southeastern Ohio. The culture shock of moving from the big city and their modern conveniences results in drastic changes in their lives, both physical and mental. While assimilating into her new community, Helga learns that Amish children are forced to quit school after the eighth grade and work in often dangerous jobs. After researching the plight of these young teens, she begins a crusade to remedy this situation. Helga is killed in an accident on her way to a meeting at the State Capital. Will is devastated and wracked by pain with the loss of his beloved Helga and is determined to take up this cause as his own. Will helps a teenage girl leave the Amish community and her life of servitude. He is shunned by the Amish along with several of his neighbors that continue to befriend him. As Will continues to work through his loss, grief and his outcast status in the community, an unexpected woman walks into his life. As overwhelming as this new turn of events is for Will, as his Amish neighbors would say...if it is God's will.
