Kitty Doodle Math - Fun-Schooling - Ages 3 to 5 (Kitty Doodle Homeschooling) (Volume 1) Isaac Joshua Brown
Your child's first math book should be delightful! Little children always want to be like the big kids, so be sure to get fun-schooling books for the whole family. If you do not have older children who can be a good example of learning to your little one you should get a Homeschooling Handbook for Moms. Your child will see you working in your special book and it will inspire them to take their schoolwork seriously.

When you first start homeschooling you need to make sure the books you use are fun so that your child does not begin to dread learning from a young age.

This sweet little book mixes art, cats and numbers.
