Emotion in Organizations

Emotion in Organizations
This **Second Edition** contains key themes with all new contributors and is a completely separate work from the first. **Emotion in Organization** presents original work from leading scholars in the field, they engage with emotion as a qualitative phenomenon which shapes and is shaped by organizational life. Examining how emotion cannot be simply separated from thinking, judgment, decision-making and other so-called rational organizational processes, the book challenges us to build a passionate theory of organizations.

The introduction reviews the expansion of organizational emotion studies and their appeal to several social-scientific disciplines. Divided into four parts, the book reveals through stories, interview
