**Generation X: Tales for an Accelerated Culture (Chinese Edition)** jia dao ge la si ·ku pu lan de
Three highly educated young men have quit ""pointless jobs done grudgingly to little applause"" in their respective hometowns and cut themselves adrift on the California desert. They make their livings by working as barmen and salesman in the shopping center. Telling bedtime fables are what they do everyday to introspect themselves. They create modern fables of love and death among the cosmetic surgery parlors and cocktail bars of Palm Springs, disturbingly funny tales of nuclear waste, historical overdosing, and mall culture. The swaying living condition of the three and the desperation in the pursuit of love, eternality and home are the problems confronted by this generation as a whole.
