Living the Lifestyle

Crimson Rose

Living the Lifestyle Crimson Rose
June 5th is a very special day for twenty year old Nadia Galloway. Not only is it her birthday, it's also her mother Alicia's birthday. Born exactly twenty years apart at the same time, on the same day has made the Galloway women very close and every year they surprise each other with a gift. Past gifts consisted of flowers and a card to pieces of jewelry, or a night out on the town. This year, however, mother and daughter have come up with the ultimate surprise gift for each other. Nadia is taking her mother on a two week, all-expense paid vacation to New York so that she can see the Metropolitan museum of art and be pampered at a luxurious spa. Alicia springs a life altering surprise on her daughter that she hopes she will embrace. Informing her daughter she is submissive was the hardest decision Alicia ever had to make and it was her only desire that Nadia would at least make an attempt to learn and accept her mother's life choices
