The American debut of one of *Granta*'s Best Young Spanish-Language Novelists, *My Fathers' Ghost Is Climbing in the Rain* is a daring and deeply affecting story of one Argentine family's buried secrets. When a young writer returns home to visit his dying father, he finds himself drawn into an obsessive search for a local man gone missing. As the truth—not only about his father but an entire generation—comes to light, the narrator is forced to confront the ghosts of Argentina's dark political past, as well as long-hidden memories about his own family's history. Powerful and audacious, this semi-autobiographical novel is a thoroughly original story of corruption and responsibility, of history and remembrance, from one of South America's most important new writers.
