**Targets of Opportunity (Jordan Sandor)** Jeffrey S. Stephens
**THE ENEMY HAS A THOUSAND WAYS TO STRIKE. WE HAVE JUST ONE WAY TO RETALIATE. HIS NAME IS JORDAN SANDOR.**

In *Targets of Deception*, which suspense master Robert K. Tanenbaum called “a fast-paced thriller,” Jeffrey Stephens introduced CIA agent Jordan Sandor, whom bestselling author Steve Alten praised as “terrific.” Now Sandor is back, playing for bigger stakes and facing deadlier challenges.

Whisked from his Manhattan town house to a gabled CIA safe house in Virginia, Sandor faces off with a top terrorist agent from Iran’s Revolutionary Guard. In exchange for protection from his own side, Ahmad Jaber is offering the CIA explosive information: word of a secret, unholy alliance forged among operatives in the Middle East, a ruthless South American, and Kim Jong-Il’s North Korea. Jaber claims not to know specific details, only that the strike will target the heart of America.

The fanatics stage a stunning diversion in the Caribbean, mercilessly downing a passenger jet and unleashing an assault on a French intelligence installation. Sandor, however, has already moved in a different direction. Leveraging Jaber’s infor-mation, he assembles a small strike force to penetrate North Korea. The team knows they will not all return, but the intel they gather will be vital to American security. What they ultimately discover plunges Sandor into a frantic race against time, struggling to defeat a shadowy figure—a master terrorist with a plan of destruction so perfectly disguised that even with the new knowledge he has gathered, Sandor cannot guess where or how he will strike.

As a storm rages in the Gulf of Mexico, word comes that two submarines have penetrated U.S. waters. With the U.S. military hampered by the hurricane, Sandor turns to a few daring U.S. Navy SEALs to duel with the enemy they cannot see . . . for now they know only that there are two nuclear weapons aimed at a target of opportunity whose destruction would change the world order forever.

Brilliantly conceived, electrifyingly paced, *Targets of Opportunity* captures a terrifying twenty-first century reality: terrorists can—and will—try as many times as they need to attack the United States. For the brave men and women who defend our country, failure is not an option.

It makes you more readily to read this book, as you can read this book in your Smartphone. So there is no reason to you personally to past this reserve from your list.

**Christine Erhart:**

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire their particular reader with their story as well as their experience. Not only the story that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this Targets of Opportunity (Jordan Sandor).

**Muriel Carpenter:**

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Targets of Opportunity (Jordan Sandor) can make you feel more interested to read.
