The Social History of Smoking G. L. Apperson
This is the first attempt to write the history of smoking in this country from the social point of view. I have tried to confine myself strictly to the changes in the attitude of society towards smoking, and to such historical and social sidelights as serve to illuminate that theme.Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
