**Yes Sir!** Di Storm

A world of intrigue and deception. Underworld clubs with high-profile members. A powerful circle of friends, and strangers, who meet in select places where one must know the hidden path in...

Early in her adult life, Jessika finds herself attracted to men who are more dominant: controlling, forceful, her superior. And somewhere down her path of exploring sensual feelings, it all falls into place--she needs a master, a man she can serve in every way. But the further she delves into the world of domination, the more she realizes a part of her is still empty.

Surprisingly, Jessika finds that missing ingredient in a man who is anything but dominant. He is a cockold--a man who finds eroticism in watching enjoy herself with others but knowing that she isn't getting pleasure from him.

Yes, Sir is a journey of lost love, lost connections, and the struggle for self-control. Jessika finds herself experiencing drastic changes deep within. The reserved, quiet, and submissive person she once was--fading. She is becoming stronger, more vocal, and dominant, standing up for herself, and others. These changes create a roller coaster of conflict within, a transitioning woman who struggles with an ever-present and seemingly contradictory need to be controlled and mastered.

Yes, Sir is an erotic, sensual, and emotional journey, bringing you to places you did not believe truly existed--but they do!
