Don Boys

Evolution: Fact, Fraud, or Faith? Don Boys
This fully documented book of more than 350 pages takes on the evolutionists' teachings that conflict with the Bible, science, and common sense. Boys approaches the issue in a militant fashion since he believes the battle is for the minds and souls of men. In 31 hard-hitting chapters the author deals with: the origin of the universe and life; the reliability of the Bible; the lack of credibility of radiometric dating; missing links; intelligent design; dinosaurs; the global Flood; Noah's Ark; geologic column; theistic evolution; gap theory; evolution as a religion; scientific frauds; age of the universe and world; and many other interesting subjects.
