Thomas A. Langford

Practical Divinity: Readings in Wesleyan Theology - Volume Two (Practical Divinity) Thomas A. Langford

This companion to *Practical Divinity, Volume 1: Theology in the Wesleyan Tradition* enlivens and contextualizes the discussion of the Wesleyan theological tradition, from Wesley through the twentieth century, offering a group of landmark documents that allow readers to experience the very life-blood of the movement.

"Langford is to be commended for providing his readers with an insightful itinerary through the chronicle of significant figures and impulses which together constitute the matrix of the people called Methodists. The reader is challenged to grapple with the varied theological and cultural perspectives of voices that, though often divergent, still resonate with the pulse of a movement that has exerted a remarkably transforming influence upon the modern world." --J. Steven O'Malley, Asbury Theological Seminary, Wilmore, Kentucky.
