Wonder Years: Werkplaats Typografie

various

Wonder Years: Werkplaats Typografie various
Published on the occasion of the 10th anniversary of the Werkplaats Typografie in Arnhem, this publication is a record of work produced by over 60 participants who have studied at this Dutch post-graduate programme. More than just an analogy, the archive represented in this engaging publication is an interpretation of the history of this graphic design school that is presented as a subjective, incomplete and sometimes inimitable set of entries.
