Always on the run and alone, Betsy Samuel never believed she would ever have a family, much less be mated. With scars covering her body and her heart, Betsy decides to trust the three warriors who seem to be working their way into her heart. But would they be able to accept all her hang-ups and the fact she has two other children out there somewhere? Would her Christmas be everything she dreamed of? Barry Zorn had failed his weru once before and he wasn't about to fail his meru. The small woman, Lacey's little sister, had a wall of stone around her heart, but he and his werus were bound and determined to tear the wall down and surround her with love, even if it meant catching a tiger by her tail. But could they give her the best gift possible, her missing children and the Christmas she's always dreamed of? London, a city of history, is the site of their bonding, but would it also be the birthplace of a new era for their large family and heal recent wounds for the women that have given their hearts to these worriers?
