Call to Arms: A Civil War Tale of Trauma, Tragedy, Triumph and True Love Claude Wayne
Is Call To Arms destined to be a movie? It was 1860, that year before the war, when Johnny, a thirty-year-old eligible bachelor from Ohio, traveled to South Carolina to help his uncle run a small plantation and fell in love with Molly, a Southern belle from Charleston. Their plans to marry are abruptly interrupted by her jealous former fiance at the outbreak of the Civil War. Their struggle to return to each other´s arms is filled with action, adventure, terror, charm, compassion, intrigue, suspense, and unceasing desire. The story has all of the elements one would expect in a movie produced by Mel Gibson, including the plot, character, humor, history, patriotism, passion, romance, and spirituality for which the highly successful actor-producer-director has come to be admired.
