Welcome to the Amazing Animals Series!

Come with us around the globe to explore the animal world.

In this book we will be visiting some fascinating, fun and fishy underwater creatures. We will be looking at the many wonderful and unusual fish that live in watery environments.

What you will discover in this book:

- You will find out about some really extraordinary fish. Some are huge and some are tiny!
- What is the story of fish and how did they end up in the water?
- You will discover what jawless fish and bony fish are.
- How do fish breathe and what do they use to breathe with?
- Did you know some fish are not really fish?
- You will see how fish swim in many different ways.

This book is fully illustrated with fun and interesting animal images.
There is much more to find out too!
Also, to make sure you are paying attention you will be asked a couple of fun questions within the book. By asking and answering these questions it is a great way to interact with the subject matter and absorb the information within the book freely; and in a fun way!
