Men in Black: The Secret Terror Among Us Gray Barker

Men in Black: The Secret Terror Among Us was the last major work by West Virginia author Gray Barker, a legendary figure in the history of ufology. In many respects, this is the sequel to his earlier best sellers *They Knew Too Much About Flying Saucers* (a chronicle of the harassment faced by early UFO researchers) and *The Silver Bridge* (Barker's on-the-scene investigation of the Mothman events of the 1960s). Since Barker died a year after the release of *MIB: Secret Terror*, it was not widely distributed. As such, it became enormously rare and expensive. Now, for the first time, it is being made available to the general public.
