"So birthday girl." I said breaking the silence, "Is there anything you want to add to your birthday wish list for today?"

It's Clara's last birthday before she heads off to college and she can't wait until she opens her gifts. However there's only one gift she really wants, but it's strictly forbidden and only the man of the house can give it to her. She's secretly crushed on him for years and always wanted **her first time** to be with him.

What Clara doesn't know is that **the man of the house** knows about her naughty secret and has a secret fantasy of his own. Now he's going to make sure his little brat's birthday is going to blow her away in more ways than one. He's going to break her in **without protection** and isn't going to stop until his potent seed is soaking deep inside of her.

Can the man of the house manage to fulfill both their secret fantasies without his significant other finding out? The clock is ticking, there's only a couple hours left in the day before he can no longer wish his little brat a happy birthday from between her legs.

This is a **7000+ word** story full of **unprotected taboo fun** that's going to be raw, fast, and hard. Please click "Look Inside" to enjoy a longer preview from the book that Amazon won't let me share here. No one will know.
