Prophecy, Transition & Miracles: Healing Nations (Volume 5) Prince Handley
One of the greatest areas of ministry that is still being overlooked—and under sought after—is the office of Prophet. God uses prophets for different reasons and for different prophetic discourses. One of the greatest needs today for the office of Prophet is in the capacity of “Spotter.” Ethnic deliverance is in the “game plan” of the End Times of Planet Earth. Prophetic creative decrees will be one method by which God brings this about. Also, prophecy and specific healing words will come to the forefront in the End Times resulting in MIRACLES sent by God for signs following these decrees. The office of Prophet is feared by Satan. Many schemes are—and will be devised—by the enemy to divert, diffuse and dilute this office. This book—through revealed knowledge by the Spirit—provides the reader with Intel to prevent this. The reader—and potential candidate for the office of Prophet—will study the strategy of ethnic deliverance—healing nations—and MIRACLES. This book will show you HOW God works behind the scenes to help YOU become an instrument of national deliverance.
